Huntingdonshire District Council's Local Plan to 2046

The Preferred Options draft Local Plan to 2046 and Sustainability Appraisal is available for you to view and comment on until 17/12/25 at 23:59. Two sites have been put forward for development in Stilton, these are the Stilton Cheese site and Bellway 2. The Parish Council is currently working on its response. Please go to www.huntingdonshire.gov.uk/planning/local-plan-update/preferred-options/ or scan the QR code to leave your feedback. Visit HDC's Open Days to find out more ... Sawtry Village Hall on 3 December is the closest to us.

Local Government Reorganisation

The Government's plan is to deliver new unitary authorities by April 2028. Cambridgeshire County Council has expressed a preference for Option A which would see us join with Fenland and Peterborough whereas Huntingdonshire District Council have suggested an Option E which would see Huntingdonshire remain as a single entity. The Government ultimately will make the final decision in early 2026.

At our November meeting we decided to ...

* **support local residents who report anti-social behaviour at the Stilton Lodge site by contacting Cross Keys Homes and Sawtry Village Academy to update them on this situation. For all serious concerns the Police should be contacted**

* **ask the Traffic and Parking Working Group to look into the need for more speed indicator signs in the village as we only have one at the moment but it travels around varying street lights. Traffic speeds on Caldecote Road have been raised as a concern so we'll look into this**

* **continue with the bulb planting! The Cemetery will be bright and beautiful next spring and, as we have bulbs left over, look for dazzling displays in other village locations too. Stilton will be in bloom in 2026.**

Remembrance Sunday and Amistice Day
