STILTON PARISH COUNCIL

FEBRUARY

Traffic speeds in the village

- The Traffic and Parking Working Group have been looking into how best to reduce speeds on Stilton's roads, especially North Street and Caldecote Road. As there are 2 sites outlined for development on Huntingdonshire District Council's draft Local Plan to 2046, it seems certain the population (and number of cars on our roads) is set to increase. At the Parish Council meeting on 13/01/26 it was agreed to submit a bid for a Local Highway Improvement grant to provide an additional Moveable Vehicle Activated Sign (MVAS), 2 solar panels and 5 new posts so that we can have an MVAS simultaneously on both North Street and Caldecote Road.

Data recorded from the existing MVAS between Sept & Dec 2025 shows that only 70% of drivers are travelling at 25mph or less, so there is still a way to go.

Pavilion Farmer's Markets havė moved to Sundays from 2026.
Find them at the Pavilion - 9.30am - 1pm:
* Sunday 15 February * Sunday 12 April * Sunday 21 June * Sunday 16 August
* Sunday 11 October * Sunday 13 December *

At our January meeting we decided to ...

* Recommend to Huntingdonshire District Council that this year's planned elections are carried out - echoing the responses from County Councillor Simon Bywater and District Councillor Tim Alban.

* Okay the hard copy newsletter so this will be sailing through your letter boxes soon with details of a job vacancy at the Parish Council and an invitation to help chose the kind of equipment you'd like to see in the refurbished Barn Close Play Area (more details on both in this copy of SCAN too).

* Press ahead with a new noticeboard at the North end of the village - this is planned to be in the Mill Road area (will confirm firm plans asap).

LOOK OUT for the new food waste recycling service bins arriving from Huntingdonshire District Council. Each household will receive a 7 litre indoor caddy and 23 litre outdoor food waste bin.

Collections will begin from 30 March 2026 and you can find a collection schedule here:
