Tree Maintenance Works

The Parish Council has been carrying out tree maintenance works at Apreece Way, Barn Close and the Cemetery. The tree surgeon took the amazing photographs in this newsletter. More information coming soon on how to report tree issues in the village.

Grants

The Parish Council occasionally awards grant money to qualifying Stilton groups providing they meet certain criteria. There is currently £250 available in this financial year. If you are a local group in need of support, please contact the clerk for more details - clerk@stiltonparishcouncil.org or find more details at stiltonparishcouncil.org

The Parish Council supported the 2021 Christmas Fair by allowing the Pavilion to be used free of charge on the Friday evening and all day Saturday.

Covid measures ...

New Covid restrictions were announced in mid December 2020 (compulsory mask wearing) - please check the current status before entering the Pavilion, a shop or any other enclosed place.

The Parish Council meeting for January has been postponed (due to take place on 11/01/22) and we hope to have more information soon on a new meeting time.

HAPPY NEW YEAR TO ALL FROM STILTON PARISH COUNCIL!
