STILTON PARISH COUNCIL

FEBRUARY

RESULTS OF THE BEACON SURVEY

Here are the results of the survey to find the home of the new village beacon. The land around the War Memorial was the preferred location. This land is owned by Huntingdonshire District Council though so we'll ask for permission to place the beacon there and let you know if this is possible.

Thank you to the 86 residents who provided us with their preference.

At our January meeting, we decided to ...

* **Put forward an Expression of Interest for Huntingdonshire District Council's Net Zero Villages grant. If invited to submit a full application this would encompass changing the Skatepark lights to LED heads, ensuring all Pavilion lighting is run off LEDs and installing a battery system at the Pavilion to store excess capacity from our solar panels. This could mean the Pavilion would use zero electricity from the grid for 8 months of the year.**

* **Carry out research into adding a Farmer's market to Stilton's event diary. Councillors Paul Murtagh, Carrie Wigger and Adam Vickers are putting a proposal together and will report back to the Parish Council with an update as soon as possible. Exciting times!**

* **Commemorate VE Day 80 which is on 8 May this year - Councillors will be bringing back their ideas to the February Parish Council meeting but we will be flying a special flag from the War Memorial flag post and hopefully lighting the beacon. Further updates soon.**

* **Add top soil to parts of the Cemetery to level the ground making it easier for visitors and grounds maintenance. Signs will go up in the burial grounds advising of these works. Please contact the Clerk if you have any questions or concerns.**

* **Install a water butt at the Parish Room in the Cemetery for the watering of flowers.**
