STILTON PARISH COUNCIL

*** VE 80 DAY ***

While we have all often walked past our War Memorial, how much do we know about those being remembered?

Stilton and the neighbouring villages lost ten men during the Second World War. If you would like to learn a little bit more about these brave servicemen, come along to the Church Meeting Room on 8th May and see our tribute to these fallen heroes of WW2. Here you will learn which branch of the armed services they joined, where they are buried or remembered and most heartbreaking of all, how young most of them were.

We also are looking for memories including photographs of VE day and whilst we appreciate that very few will remember the actual day, maybe memories have been handed down that you would be happy to share. We hope to have some news reels from the actual time which will show what a momentous day 8th May 1945 actually was for those who had lived through 6 dreadful years of war.

Timetable for VE80 Day

09:00 - VE80 flag raised at the War Memorial

09:00 until 17:30 Complimentary tea, coffee and cakes available all day in the Church Meeting Room with activities for young children

15:00 Reverend Diane will say some words around the War Memorial
