STILTON PARISH COUNCIL

National Lottery success!

The Parish Council applied for a National Lottery grant to help with the renovation of Barn Close Play Area and have been awarded £20,000 to spend on the project. This is fantastic news.
In addition to providing a completely new play area for Stilton's Under 6's, we're also upping the visual appeal of the space by adding a cobbled border and 2 extra seating areas along the side wall. This will take place once the equipment is in place and a planting plan will follow once cooler weather returns.

- Works on site commence Wednesday 29 July 2026 and will take place 08:00 to 17:00
- There may be some weekend works 09:00 to 13:00
- The installation is anticipated to take 2 weeks
- We plan to have a grand opening in late August.

The Village Sign Returns

Glyn and his magic hands have done it again. The North Street sign has been loving recreated and carved by Glyn Mould and it is now in proudly is in position near the village entrance.
This was paid for using Community Infrastructure Funds (CIL) which are generated by development in the Parish.

We've also purchased the new North Street/Mill Road notice board with CIL funds and this should be installed during August.

Parish Councillor Vacancy

The Parish Council, when full, has 11 councillors. We currently have a vacancy for 1 councillor. If you are free second Tuesday of the month and have an interest in village activities, Parish finances, traffic issues, how the Pavilion is run, burial grounds or even bins, please let us know and we'll send you information on how to become a Parish Councillor. The Parish Council covers all these areas (and more) and training is provided. Passion for the village is the greatest attribute for the role! Contact the Parish Clerk for more details.

August Farmer's Market - Stilton Pavilion - Sunday 16 August

The Farmer's Market will be back at the Pavilion in August with all the usual stalls and more.
Fruit - bread - honey - coffees - cakes - vegetables - crafts

DOORS OPEN 10:00
DOORS CLOSE 13:00

At our July meeting we decided to:

- Increase our use of Parish Online - this is mapping software that we can input tree details, Parish assets, information on bins, etc and then make available to members of the public making it easier for you to reference or report issues. More details when ready to use.
- Remove the leaning Wellingtonia tree in the Cemetery. This tree will never be able to straighten itself and is already overhanging the pavement and road quite substantially. It looks to have been struck by lightning at some point which has led to the unusual slant in its growth. We're looking into creating a carving from the trunk which could be wonderful. An update will be provided re works taking place.
- Contact the new Local Highway Officer following a report by the Traffic and Parking Working Group who have lots of suggestions on how to improve current village issues. We're hoping to set up a meeting to find out what is possible and how to fund works.
- Publish the quartery Crime Prevention report. You can find this by scanning the QR code or visiting our website, stiltonparishcouncil.gov.uk (find the report under the Crime Prevention Updates tab).

HIRE THE PAVILION

Perfect for parties, weddings, children's birthdays or regular classes (sports, exercise, music, etc).
