STILTON PARISH COUNCIL

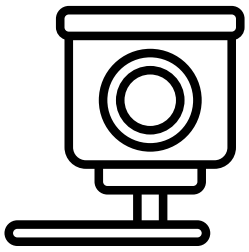

NOVEMBER

Local Highway Infrastructure success

The Parish Council, directed by its Traffic and Parking Working Group, submitted an application for a Local Highway Infrastructure award for solar powered Moveable Vehicle Activated Signs (MVAS) and mounting posts to put them on. We were successful. At the moment we have just one MVAS and it is battery powered which presents issues regarding charging needs, so moving to solar will be a big step forward.

The new solar powered signs should be in place by April 2027 and will hopefully help make our roads even safer.

If addressing speeding is something that you feel passionate about, see the new member request for Stilton's Speedwatch in this month's SCAN.

Puppy Power!

The new puppy training class started at the Pavilion in October and it looks like the doggies and their humans are having a great time. Contact Laura for more information if you'd like to enrol in a future class: schoolingskyedogtraining@gmail.com or call 07843 259785.

Full timetable for all Pavilion classes →

Upcoming Village Events:

- Sunday 22 November - Stilton Village Christmas Lights Switch-On (Village Centre)
- Saturday 28 November - YES Christmas Fair (Pavilion)
- Sunday 13 December - Farmer's Market (Pavilion)

OPENING SOON

**** Barn Close Play Area - 26 October 2026 ****

At our November meeting we decided to:

Provide concessionary Pavilion use to YES (Young people Engagement Stilton) for their Christmas Fair on 28 November 2026. The Parish Council is pleased to be able to support this valuable village group.

Award John Griffin Tree Surgery with the contract for B rated tree needs in the village. You'll see these works taking place over the next few months. We have a full tree survey undertaken every 3 years for all trees on public land. These works will be on the trees with identified needs. You can report tree issues on our website, stiltonparishcouncil.gov.uk by clicking the 'Contact Us' green button on the top right.

Hold a Remembrance Sunday event at the War Memorial on Sunday 8 November at 10.45am. As with previous years, please do drive slowly as you travel along Church Street as it really does make a big difference to the service. An Armistice Day service will be held in the Cemetery on Wednesday 11 November at 10.45am. Children from the school will be attending to place poppy posies on the War graves.

Defer the response to the Stilton Lodge planning application until our November Parish Council meeting on 10/11/26. Please attend this meeting and let us know your thoughts on the 9 houses put forward for building on the site following demolition of the former Stilton Lodge hotel. Find the application here: https://stiltonparishcouncil.gov.uk/planning-development or by scanning the QR code. See our new look planning page too.
